*Deep in the ground of the human soul  
Of victory assured  
The Spirit-Sun is living  
All through the winter of the inner life,  
The faithful heart divines it.*

Kia ora Kowhai and Tui whānau,

Our **Matariki** Event was such a beautiful experience with you all. We are so pleased with the amazing turn out and your feedback was so encouraging! From the wonderful singing to Laura's story to the abundance of delicious soups and then the magical grottos, we feel blessed to have been able to do this all.

Now we look ahead to our **Spring Fair**. We are hoping to make this bigger and better than ever to bring people together and fundraise money for our centres. In light of this, I would like to form a short term committee to help achieve this. Our Fair will be held in two months time on a Saturday morning 10am till 1pm. We have plenty of ideas but we just need more help. If you would be happy to help us out, please send Rebecca an email [kowhai@waikatowaldorf.school.nz](mailto:kowhai@waikatowaldorf.school.nz) asap. Thanks!

I want to ask a favour. We are in need of more children for Kowhai Whare. Which is for babies, one and two year olds. Tui Whare is almost full which is amazing but we just need to grow a bit more in Kowhai. If you love us, we would appreciate it if you can share us with your networks online and offline. Or even do a mailbox drop in your area.

There is more traffic in our carpark these days due to older school children being asked to use this entrance for drop off and pick ups. Unfortunately it does mean more cars and more speed in some cases by some people. Yes I had to use my growly voice last week sadly! I am hoping we will get our speed bumps back soon too but in the meantime please keep an eye on the speed and a super close eye on your children when going in and out of the centre's. Do use the carparks closest to the centre's to avoid crossing whenever possible.

Please continue sending spare clothing with your children. As well as a winter hat and suitable footwear.

Please see attached an article to hopefully help support you on your parenting journey!

Wishing you a healthy and happy final month of Winter!  
Warmest of blessings to you and your family,  
The KTC Team
